Size: 196,0 MB - Length: 06:03 min

Description:

This video is from the press kit that we received at the Games Convention '06. It shows how the motion capture scenes have been integrated with the fighting scenes from Two Worlds. < Download > < Stream >

Size: 59,0 MB - Length: 00:47 min Description:

We had to wait a fair bit before the trailer to Two Worlds was released. But now it's finally here a couple of weeks before release, even though it only can be considered a half official trailer.< Download > < Stream >

Size: 4,3 MB - Length: 01:20 min
